

# It Must Have Been Love (L.A. Version 1992)

Roxette

It must have been love but it's over now  
Lay a whisper on my pillow Leave the winter on the ground  
I wake up lonely, there's air of silence  
In the bedroom and all around  
Touch me now, I close my eyes  
And dream away  
It must have been love but it's over now  
It must have been good but I lost it somehow  
It must have been love but it's over now  
From the moment we touched till the time had run out Make believing we're together  
That I'm sheltered by your heart  
But in and outside, I turned to water  
Like a teardrop in your palm And it's a hard winter's day  
I dream away  
It must have been love but it's over now  
It was all that I wanted, now, I'm living without It must have been love but it's over now  
It's where the water flows, it's where the wind blows  
It must have been love but it's over now  
It must have been good but I lost it somehow  
It must have been love but it's over now  
From the moment we touched till the time had run out  
Yeah, it must have been love but it's over now  
It was all that I wanted, now, I'm living without  
It must have been love but it's over now  
It's where the water flows, it's where the wind blows  
It must have been love but it's over now  
It must have been love but it's over now
