It Must Have Been Love (L.A. Version 1992)

Roxette

It must have been love but it's over now
Lay a whisper on my pillowLeave the winter on the ground
I wake up lonely, there's air of silence
In the bedroom and all around
Touch me now, I close my eyes

And dream away

It must have been love but it's over now It must have been good but I lost it somehow

It must have been love but it's over now

From the moment we touched till the time had run outMake believing we're together

That I'm sheltered by your heart

But in and outside, I turned to water

Like a teardrop in your palmAnd it's a hard winter's day

I dream away

It must have been love but it's over now

It was all that I wanted, now, I'm living withoutIt must have been love but it's over now

It's where the water flows, it's where the wind blows

It must have been love but it's over now

It must have been good but I lost it somehow

It must have been love but it's over now

From the moment we touched till the time had run out

Yeah, it must have been love but it's over now

It was all that I wanted, now, I'm living without

It must have been love but it's over now

It's where the water flows, it's where the wind blows

It must have been love but it's over now

It must have been love but it's over now
