

# My Favorite Girl

## New Kids On the Block

Oh, oh, oh, oh  
She's my favorite girl  
Don't you know  
Oh, oh, oh, oh  
She's my favorite girl You walked into my life  
Your love was so new  
And nothing will ever change  
My feelings for you  
Well You were so far away  
Now I am close to you, girl  
So let us run away  
In our heart that's where you will stay  
Oh, oh, oh, oh  
She's my favorite girl  
Don't you know  
Oh, oh, oh, oh  
She's my favorite girl There's so much I like in you  
I can't go wrong  
I wanted a girl like you  
I've looked so long Girl, nothing will make us stop  
I know our love is too strong  
Let's leave the rest behind  
Our dreams ask what we will find Oh, oh, oh, oh  
She's my favorite girl  
Don't you know  
Oh, oh, oh, oh  
She's my favorite girl  
Oh, oh, oh, oh  
She's my favorite girl  
Don't you know  
Oh, oh, oh, oh  
She's my favorite girl She's my favorite girl  
The one I'm always thinking of, (that's word)  
The one I love Oh, oh, oh, oh  
She's my favorite girl  
Don't you know  
Oh, oh, oh, oh  
She's my favorite girl She is my favorite girl  
You look so sweet  
You make my heart skip a beat  
Yeah, yeah, yeah she's my favorite girl  
She's my girl

She is my favorite girlHey girl  
Don't you  
You're the one I need  
And girl, I need, I need, I need, I need  
Your loveOh, oh, oh, oh  
She's my favorite girl  
Don't you know  
Oh, oh, oh, oh  
She's my favorite girlOh oh oh oh  
She's my favorite girl  
Don't you know  
Oh, oh, oh, oh  
She's my favorite girl
