

Dancing In the Dark (Nile Rodgers 12" Version)

[Kim Wilde](#)

We were dancing
Dancing in the dark
Sweet romancing
Something's gonna startHe stepped into the night
With his heart open wide
I was standing there
With nowhere left to hide
He looked to me like a shadow
Moving in the night
Then he took a hold of my hand
In the soft moonlightAnd we were dancing
Dancing in the dark
Sweet romancing
Something's gonna start
I could hear his heartbeat
Pounding in the night
I could feel his body
Starting to be kind
With his soft red lips
Made up my mind
His soothing kiss
Was all I desiredAnd we were dancing
Dancing in the dark
Sweet romancing
Something's gonna startWe kissed and touched
But it wasn't enough
To stop this wheel of fire
One step at a time
And I knew he was mine
We were lost in the heat of desire
And we were dancing
Dancing in the dark
Sweet romancing
Something's gonna startNo way
No way at all
To stop us moving closer
Each look in his eyes
Made my heart beat in time
Over and over and over and overAnd we were dancing
Dancing in the dark

Sweet romancing
Something's gonna start And we were dancing
Dancing in the dark
Sweet romancing
Something's gonna start
