

Happy Song

Bring Me the Horizon

S-P-I-R-I-T, spirit
Let's hear it
S-P-I-R-I-T, spirit
Let's hear it
Let's go I've had enough
There's a voice in my head
Says I'm better off dead But if I sing along a little fucking louder
To a happy song, I'll be alright You want to give up
Gave it all that you've got
And it still doesn't cut
But if you sing along a little fucking louder
To a happy song
You'll be just fine cause Every now and again we get the feeling
And the great big void inside us opens up
And I really wish that you could help
But my head is like a carousel and
I'm going round in circles, going round in circles S-P-I-R-I-T, spirit
Let's hear it
S-P-I-R-I-T, spirit
Let's hear it We are possessed
We're all fucked in the head
Alone and depressed But if we sing along a little fucking louder
To a happy song
Maybe we'll forget cause
Every now and again we get the feeling
And the great big void inside us opens up
And I really wish that you could help
But my head is like a carousel and
I'm going round in circles, going round in circles Don't wake us up
We'd rather just keep dreaming
Cause the nightmares in our heads are bad enough
And I really wish that you could help
But my head is like a carousel
And I'm going round in circles, I'm going round in circles The world has coalesced
Into one giant mess of hate and unrest
So let's sing along a little goddamn louder
To a happy song and pretend it's all okay Let's go Sing along
Let's sing along
A little fucking louder
A little fucking louder
Well don't you feel so much better S-P-I-R-I-T, spirit
Let's hear it

(Well that's the spirit)
S-P-I-R-I-T, spirit
Let's hear it
(Yeah, that's the spirit)
