

# Happy Song

## Bring Me the Horizon

S-P-I-R-I-T, spirit  
Let's hear it  
S-P-I-R-I-T, spirit  
Let's hear it  
Let's go I've had enough  
There's a voice in my head  
Says I'm better off dead But if I sing along a little fucking louder  
To a happy song, I'll be alright You want to give up  
Gave it all that you've got  
And it still doesn't cut  
But if you sing along a little fucking louder  
To a happy song  
You'll be just fine cause Every now and again we get the feeling  
And the great big void inside us opens up  
And I really wish that you could help  
But my head is like a carousel and  
I'm going round in circles, going round in circles S-P-I-R-I-T, spirit  
Let's hear it  
S-P-I-R-I-T, spirit  
Let's hear it We are possessed  
We're all fucked in the head  
Alone and depressed But if we sing along a little fucking louder  
To a happy song  
Maybe we'll forget cause  
Every now and again we get the feeling  
And the great big void inside us opens up  
And I really wish that you could help  
But my head is like a carousel and  
I'm going round in circles, going round in circles Don't wake us up  
We'd rather just keep dreaming  
Cause the nightmares in our heads are bad enough  
And I really wish that you could help  
But my head is like a carousel  
And I'm going round in circles, I'm going round in circles The world has coalesced  
Into one giant mess of hate and unrest  
So let's sing along a little goddamn louder  
To a happy song and pretend it's all okay Let's go Sing along  
Let's sing along  
A little fucking louder  
A little fucking louder  
Well don't you feel so much better S-P-I-R-I-T, spirit  
Let's hear it

(Well that's the spirit)  
S-P-I-R-I-T, spirit  
Let's hear it  
(Yeah, that's the spirit)
