Happy Song

Bring Me the Horizon

S-P-I-R-I-T, spirit Let's hear it S-P-I-R-I-T, spirit Let's hear it Let's goI've had enough There's a voice in my head Says I'm better off deadBut if I sing along a little fucking louder To a happy song, I'll be alrightYou want to give up Gave it all that you've got And it still doesn't cut But if you sing along a little fucking louder To a happy song You'll be just fine causeEvery now and again we get the feeling And the great big void inside us opens up And I really wish that you could help But my head is like a carousel and I'm going round in circles, going round in circlesS-P-I-R-I-T, spirit Let's hear it S-P-I-R-I-T, spirit Let's hear itWe are possessed We're all fucked in the head Alone and depressedBut if we sing along a little fucking louder To a happy song Maybe we'll forget cause Every now and again we get the feeling And the great big void inside us opens up And I really wish that you could help But my head is like a carousel and I'm going round in circles, going round in circlesDon't wake us up We'd rather just keep dreaming Cause the nightmares in our heads are bad enough And I really wish that you could help But my head is like a carousel And I'm going round in circles, I'm going round in circlesThe world has coalesced Into one giant mess of hate and unrest So let's sing along a little goddamn louder To a happy song and pretend it's all okayLet's goSing along Let's sing along A little fucking louder A little fucking louder Well don't you feel so much betterS-P-I-R-I-T, spirit Let's hear it

(Well that's the spirit) S-P-I-R-I-T, spirit Let's hear it (Yeah, that's the spirit)
