

# It Ain't Easy Being Me

[Chris Knight](#)

There ought to be a town somewhere  
Named for how I feel.  
Yeah I could be the mayor down there  
And say "welcome to sorryville".  
It wouldn't be on a map no where  
You might say that it don't exist.  
But if you make enough wrong turns It'da be hard to miss.  
There ought to a bridge somewhere they could dedicate to me.  
I'd probably come to the ceremony with a can of gasoline.  
Walk on over to the other side  
Where I'd light a match  
Sit and stare through the smoke and flames and wonder how I'm gonna get back.  
Why do I do the things I do?  
Was I born this way or am I self made fool?  
I shoot the lights and I curse the dark  
I need your love but I break your heart  
And I know the words that'll bring you back but  
But I don't say nothing as I watch you pack  
I had to work to become the jerk I've come to be.  
It ain't easy being me. There oughta be a side show act  
For freaks like me.  
I could be the star of the show w/ my name on the marquee.  
In a room with a big red button that says "danger do not touch".  
Twice a day I'd mash it down and you can watch me self-destruct  
Why do I do the things I do  
Was I born this way or am I self made fool  
I shoot the lights and I curse the dark  
I need your love but I break your heart  
And I know the words to get you back but  
But I don't say nothing as I watch you pack  
I had to work to become the jerk I've come to be  
It ain't easy being me  
It ain't easy being me
