

Damned

VAMPS

Now... there is someone in the dark - afraid
Cold... all my senses on alert - I freeze
Fear... I just want it to be gone - I pray
Loud... my heart is beating fast, attracting "them"
Falling prey to "its" fangs
I can't resist
Caught in "its" flame I'm damned... God... there is someone in me now - afraid
Pain... I can feel "it" grow inside my cells
Mad... "it's" emerging from my skin - I change
Thirst... this desire is too great - I'm one of "them"
My love, I lost myself
Before I'm gone
I say your name I'm damned...
Dear, I don't want to cause you pain - afraid...
