

# Addicted to Love (Live In Arnhem)

Tina Turner

The lights are on but you're not home  
Your mind is not your own  
Your body sweats your body shakes  
Another kiss is what it takes  
You can't eat you can't sleep  
There's no doubt you're in deep  
Your throat is tight you can't breathe  
Another kiss is all you need  
Oh you like to think that you're immune to the stuff oh yeah  
It's closer to the truth  
You know you're gonna have to face it  
You're addicted to love  
You might as well face it you're addicted to love  
You see the signs but you can't read  
You're running at a different speed  
Your heart beats at double time  
Another kiss and you'll be mine one track mind  
You can't be saved another young love is all you crave  
And if the sun left you you don't mind it feels blue  
Oh you like to think that you're immune to the stuff oh yeah  
It's closer to the truth  
You know you're gonna have to face it You're addicted to love  
Gonna have to face it you're addicted to love  
Might as well face it you're addicted to love (4x)  
Might as well face it (3x)  
Might as well face it you're addicted to love  
Your lights are on but you're not home  
Your mind is not your own  
Your body sweats your body shakes  
Another kiss is what it takes  
You can't eat you can't sleep  
There's no doubt you're in deep  
Your throat is tight you can't breathe  
Another kiss is all you need  
Oh you like to think that you're immune to the stuff oh yeah  
It's closer to the truth  
You know you're gonna have to face it  
You might as well face it  
You're addicted to love  
You might as well face it you're addicted to love  
Might as well face it  
Might as well face it you're addicted to love

Might as well face it (4x)
