

Late Night

Foals

Oh I hope that you, somebody
Someone I could count
To pull me to my feet again
When I was in doubt Oh now Mama, do you hear me?
Calling out your name
Oh now Mama, do you hear me?
Calling out your name Calling out your name
Now I'm the last cowboy in this town
Empty veins and my plastic broken crown
They said I swam the sea that ran aground
They said I was you, lost but now I'm truly found
And I know the place but not the way
I feel, I feel no shame
Oh now Mama, do you hear my fear? It's coming after me
Calling out your name
Calling out your name Stay with me
Stay with me And I threw my heart away
Boy, I know just what I said
Let phone cut in the way
Being still downtown I say
And I know you ran away
Oh I know but I'm feeling okay
And I found love and fear won't go
And I found love and fear won't go
See you walk away
Feeling okay now
Happy now?
Stay with me
Stay with me
Stay with me
Stay with me
