

Fifteen

Never Shout Never

Just the other day
She was a little girl
Taking over the world,
With her smile,
But just the other day
I saw that girl
Sticking her tongue down her throat,
By a boy, who didn't give a damn
That she was only fifteen, that she was more than willing
To take a chance,
To find romance,
To grow up fast,
But I know she is so much better,
Then to give it all away to the first guy,
First try,
First lie,
First goodbye.
Just the other day
She was a little girl
Taking over the world,
With her laugh.
But just the other day I saw that little girl
Taking her time with him,
And I can't say I've ever been so proud.
Cuz she is only fifteen,
That she was more than willing
To take a chance,
To find romance,
To grow up fast,
But I know she is so much better,
Then to give it all away to the first guy,
First try,
First lie,
First goodbye
