

# Come and Get Your Love

## Lime

Baby  
You know that I really care  
Oh-whoa-oh  
Honey  
You know that I won't despair  
Oh-whoa-oh  
( )If you need me  
Don't forget to call me  
If you want me  
You know where to find me  
When you find me  
You won't need my money  
Come and get me  
Come and get your love  
Yeah, yeah  
Baby  
You know that you're lookin' good  
Ooh-ooh-ooh-ooh  
Honey  
You love like a real man should  
Ooh-ooh-ooh, baby, baby, baby
