

Come and Get Your Love

Lime

Baby
You know that I really care
Oh-whoa-oh
Honey
You know that I won't despair
Oh-whoa-oh
()If you need me
Don't forget to call me
If you want me
You know where to find me
When you find me
You won't need my money
Come and get me
Come and get your love
Yeah, yeah
Baby
You know that you're lookin' good
Ooh-ooh-ooh-ooh
Honey
You love like a real man should
Ooh-ooh-ooh, baby, baby, baby
