I Want to Walk You Home

Fats Domino

I want to walk you home
Please let me walk you home
I wants to walk you home
Please let me walk you homeYou look so good to me, ooo-ooo-wee
I wish I was a lucky guy
Who could walk you right on down the aisleI love the way you walk
I love to hear you talk
I love to hear you walk
I love to hear you talk
I hove to hear you talk
I'm not trying to be smart

I'm not trying to break your heart But if I ask you for a date

Will you tell me that I'm not too late?I want to hold your hand Please let me hold your hand

I want to hold your hand

Please let me hold your handYou look so good to me, ooo-ooo-wee I saw you walking all alone

That's why I want to walk you homeSo let me walk you home

Please let me walk you home

I want to walk you home

Please let me walk you home

You look so good to me, ooo-ooo-wee

I saw you walking all alone

That's why I want to walk you home
