## Six Weeks

## Of Monsters and Men

Slow, slow me down

Her blood, on my bones.

Let go, lay to rest.

We fall, we fall, we fall

We fall to the ground. Sleep, sleep all night

While the young, they wait alone.

So get up, shake the rust.

We crawl, we crawl, we crawl

We crawl on the ground. Alone, I fight these animals.

Alone, until I get home. A wolf, wolf and I

We share, the same cold meal.

I float on, float on down.

We ride, we ride, we ride

We ride it all out.

We ride, we ride, we ride

We ride it all

Ride, we ride, we ride it all

Ride, we ride, we ride it all out. Alone, I fight these animals, alone until I get home

Alone, I fight these animals, alone until I get home

Alone, I fight these animals, alone until I get home

Alone, I fight these animals, alone until I get homeComing back, I'm coming back

Coming back, I'm coming back.

She follows me into the woods

Takes me home.

She follows me into the woods

Takes me home.

Coming back, I'm coming back

Coming back, I'm coming back

She follows me, into the woods

Takes me homeComing back, I'm coming back

Coming back, I'm coming back

She follows me, into the woods

Takes me homeComing back, I'm coming back

Coming back, I'm coming back

She follows me, into the woods

Takes me home
