My Confession

Kamelot

Give me a sign

Sing the words of innocence and broken pride

Make my conclusions fail

Send me a sign, heal this broken melody

Cause each night I die in hellMy god has shown his sympathy for all the spirits lost

I'll pray for salvation and peace for ages

Standing in the summer breeze, inhaling life again A new day has come

A chance to relive

Forget and forgiveSomehow I wasted all They sealed my voice and wisdom But my soul was born on the battleground Justice in blood... long awaited victory

And tonight you die in hell

My god has shown his sympathy for all the spirits lost I'll pray for salvation and peace for ages Standing in the summer breeze inhaling life again

A new day has come

A chance to relive

Forget and forgiveSomebody hides inside my mind

We're bound together

But this is my confessionSoulmate or enemy

A thorn in my religion

Release my heart, unfold my tongueSave a place for me in heaven we'll meet another day

I found forgiveness and the meaning of it all

My fear is gone

Gone

My god has shown his sympathy for all the spirits lost
I'll pray for salvation and peace for ages
Standing in the summer breeze inhaling life again
A new day has come

A chance to relive Forget and forgive
