## Deep Jandu

Sadda time kahda baldeya  
Bande badal de phirde aa  
Saddi rees karni kehnde  
Dhandhe badalde phirde aaJehdi satt oh dil te maar gaye  
Ohda dard thodi  
Yaar taan kudiyan badal diyan hundiyan balleya  
Mard thodiCirle jinna chhota hove changa ae  
Jinna vi wadhao ohna zyade panga ae  
Room vich beh ke gine dagebaaziyan  
Naar ya gaddar da oh yaar danga ae  
Oh saddeya siran te kinne boss ho gaye  
Yaari pichhe, yaari pichhe loss ho gaye  
Ni head up balliye

Ohne sapp (snake) balliye  
Sadde jigar utte ne clap karde  
Ohne sapp balliye  
Ohne sapp balliyeHo kehda ae question ask karo  
Jehde assi karde aa task karo  
Shaklan te jhoote jehde paye hoye aan  
Paraan oho, paraan oho mask karo  
Lokan moore khambe na voice kardi  
Chup dekh jattan di noise kardi  
Na paunde khap balliye
