

# I Found U

## Axwell

Thank God I found you  
I never really had a love  
Sent from heaven up above  
I'm so happy just because  
Thank God I found you Everybody wanna know  
Why I'm walking round with a big smile on my face  
Hey I'm happy and it shows  
Hey I'm back and I'm part of a human race  
'Cause you know I've been down so long  
Never thought I'd ever feel this way again  
And everything was going wrong  
'Til you found me and you made me believe again  
I never really had a love ('til I found you)  
Sent from heaven up above (and it's so true)  
I'm so happy just because (I found you)  
Damn, I'm happy that I found you  
I never really had a love ('til I found you)  
Sent from heaven up above (and it's so true)  
I'm so happy just because (I found you)  
Yoo-oo-oo-ou! I don't know what you did  
But what you did you can keep on doing it, yeah  
I'm so happy, I wanna fly  
'Cause your love just keeps on taking me higher  
Don't you know I've been down so long (down so long)  
Never thought I'd ever feel this way again  
And everything was going wrong (going wrong)  
'Til you found me and you made me believe again  
I never really had a love ('til I found you)  
Sent from heaven up above (and it's so true)  
I'm so happy just because (I found you)  
Damn, I'm happy that I found you  
I never really had a love ('til I found you)  
Sent from heaven up above (and it's so true)  
I'm so happy just because (I found you)  
Yoo-oo-oo-ou! Thank God I found you  
Thank God I found you  
Thank God I found you (yes I yes I did)  
Thank God I found you  
Thank God I found you  
Thank God I found you (Thank god I)  
Thank God I found you  
Thank God I found you  
Thank God I found you I never really had a love ('til I found you)

Sent from heaven up above (and it's so true)  
I'm so happy just because (I found you)  
Damn, I'm happy that I found you  
I never really had a love ('til I found you)  
Sent from heaven up above (and it's so true)  
I'm so happy just because (I found you)  
Yoo-oo-oo-ou!
