## Power to Redeem (feat. All Sons & Daughters)

## **Lauren Daigle**

You take what is And you make it beautiful When love floods in, We're resorted forever moreWith breath that brings the dead to life, With words that pierce the dark with light Only by the blood are we set free. With mercy strong to carry shame and nail it to a tree You alone hold the power to redeem. No guilt competes with innocence crucified. No grave can hold what your grace has justified. With breath that brings the dead to life, With words that pierce the dark with light Only by the blood are we set free. With mercy strong to carry shame and nail it to a tree You alone hold the power to redeem. Rejoice oh child of God Lift your eyes to see With every morning light, Again we are redeemedRejoice oh child of God Lift your eyes to see With every morning light, Again we are redeemed With breath it brings the dead to life, With words that pierce the dark with light Only by the blood are we set free. With mercy strong to carry shame and nail it to a tree You alone hold the power to redeem. Oh you alone, hold the power to redeem Oh you alone, hold the power to redeem Oh you alone, hold the power to redeem
