

# All Around the World

## Lionel Richie

All around the world  
Let's go all around the world  
All around the world  
Take me all around the world  
I said all around the world  
Let's go all around the world  
Give me joy, give me love  
Take it all around the world I said all around the world  
All around the world  
Take me all around the world  
I said I just got to know  
It's time to let go  
All around the world  
Let's go all around the world  
All around the world  
Take me all around the world  
I said all around the world  
Let's go all around the world  
Give me joy, give me love  
Take it all around the world Make a wish, dreams come true  
Follow your heart, it is only for you  
Crazy, it's a crazy world  
Come to the music, come lose your mind  
Follow thw rhythm, don't get left behind All around the world  
Let's go all around the world  
I said all around the world  
Take me all around the world  
I said I just got to know  
It's time to let go  
I said all around the world  
Let's go all around the world  
Give me joy, give me love  
Take it all around the world
