## Little Boxes

## Walk Off the Earth

Little boxes on the hillside Little boxes made of ticky tacky Little boxes on the hillside Little boxes all the same There's a pink one and a green one And a blue one and a yellow one And they're all made out of ticky tacky And they all look just the sameAnd the people in the houses All went to the university Where they were put in boxes And they came out all the same And there's doctors and lawyers And business executives And they're all made out of ticky tacky And they all look just the sameAnd they all play on the golf course And drink their martinis dry And they all have pretty children And the children go to schoolAnd the children go to summer camp And then to the university Where they are put in boxes And they come out all the sameAnd the boys go into business And marry and raise a family In boxes made of ticky tacky And they all look just the same There's a pink one and a green one And a blue one and a yellow one And they're all made out of ticky tacky And they all look just the same
