

Tears of Joy

Faith Evans

When I think about it baby (baby)
All I can do is shake my head,
Cause there ain't no explanation or reason (baby)
Ohhh, you must be heaven sent...
With your crazy, crazy, crazy, crazy love (your crazy love) Boy you got me sooo Messed u.p
(ew ew ew, ew ew ew) Soooo, messed up (ew ew ew, ew ew ew) Now all I know, is your love...
I tear up when I think about you boy,
You've got me so(oh) E-mo-tion-al.
But when I cry now they're all tears of joy.
umm
You gotta, you gotta, you gotta understand babe
I've been through so many things.
My heart has seen the ups, the downs, the highs,
(baby) and the lows. & Every pain life brings.
But now I got your crazy, crazy, crazy love (your crazy love) mm mm.& all I wanna do now is
Sing.

I tear up when I think about you boy,
You've got me so(oh) E-mo-tion-al.
But when I cry now they're all tears of joy.Said I'm crying, (I'm crying now but it's not like
