

# Look Homeward Angel

Cliff Richard

Look homeward, angel Tell me what you see Do the folks I used to know  
remember me? Look homeward, angel Eye my lady fair Does she dream about the love  
we used to share? So she'll know how very much I miss her  
Angel, while she's dreaming,  
won't you kiss her? Look homeward, angel One thing I must know Do her empty arms still yearn  
for me alone? So she'll know how very much I miss her Angel, while she's dreaming,  
won't you kiss her? Look homeward, angel  
One thing I must know Do her empty arms still yearn  
for me alone? Do her empty arms still yearn for me alone?
