

Can't Keep a Good Man Down

Lil Rob

Yeah
It's your homeboy Lil' Rob
It was once said that you can't keep a good man down
That's why I'm back
Simon
That's right
L-I-L R-O-B, remember me, it's me
That vato hardcore on your memory
Temporarily had a commision, now my mission is to keep you wishing
That I was gone, what's wrong?
Fear what you know, loco with the flow
And if you didn't know, now you know, oh no
Pelon, chingon, cholo, solo
Always rolling in my lowrider ese, how low? As low as it goes
Clothes always creased, dressed up nice and neat
Always fucking up my beats and always fucking up my sheets
Take a seat and learn that I just can't be burned
Though I'll burn you like a lenio, you can't fuck with me, mental
Eso mero, you better believe it homey
They'll be bumping my shit in forty years just like an oldie
Listen over here, over there, what's that sound?
Lil' Rob, can't keep a good man down
[Chorus]
Listen over here, over there, what's that sound?
Lil' Rob, can't keep a good man down
Listen over here, over there, what's that sound?
Lil' Rob, can't keep a good man down
Listen over here, over there, what's that sound?
Lil' Rob, can't keep a good man down
Listen over here, over there, what's that sound?
Lil' RobWhat's up ese
It's your homeboy Lil' Rob coming back at you
Letting you vatos know they can't keep a good man down
Those who know don't talk and those who talk don't know
So remember that shit the next time you're questioned ese
OraleThe world is my stage, got you trapped like a cage
Act your age not your shoe size, where the fucks the truth
