

# Why Do I

## NERVO

[Verse 1]

I crave your love like a cigarette  
But I don't want to  
I wear my heart out of my chest  
I still want you[Pre-Chorus]  
You and I, tangled up falling  
Are never coming over it  
And now I can't escape memories  
Hunting every part of me  
Why do I still care?[Chorus]  
I can't help myself  
My heart keeps coming back  
Giving up, are into a love that'll never last  
Why do I still care? (Why do I still)

[Post-Chorus]

Why do I still

Why do I still care? (Why do I still)  
Why do I still care? Oh-ooh, ooh[Verse 2]

Heart tried but can't seem to stay away  
I know you like that  
Heart driving, driving I'm not your pace  
I know you like that[Pre-Chorus]  
You and I, tangled up falling  
Are never coming over it  
And now I can't escape memories  
Hunting every part of me  
Why do I still care?  
[Chorus]  
I can't help myself  
My heart keeps coming back  
Giving up, are into a love that'll never last  
Why do I still care? Oh-ooh, ooh  
Why do I still care? Oh-ooh, ooh[Post-Chorus]  
Why do I still care? (Why do I still)  
Why do I still  
Why do I still care? (Why do I still)  
Why do I still care? Oh-ooh, ooh[Outor]  
Why do I still care?
