

Get Away

Brainiac

Mom says I can't play with you no more
It's cold outside and every night she locks the door I don't mind
Yeah, it's no great loss, I swear
I don't like you much today two, three, four Give me back my turquoise Albert Schweitzer doll
You can have your barbies for my monster ball
I can't seem to rewind your eight-track mind
I don't like you much today I don't care what you do
I don't care what you say
I don't want to know your secrets
Wish you would just get away
Get away from me
