All Night

Icona Pop

We always dreamed about this better life, this better life We always felt it coming all along, yeah all along We've got the keys to open paradise, yeah paradise Now let's go walking hand in handCome on baby we can hit the lights Make the wrongs turn right We can smash the clock make the pop go rock With a love this deep we don't need no sleep And it feels likewe could do this all night We could do this all night Yeah everything is alrightWe've got the keys to open paradise, yeah paradise It feels like... we could do this all night (we could do this all night)Oh winter melts under the summer skies, the summer skies The seasons change, our hearts will stay the same, yeah stay the same We got that burning feeling, start a fire, start a fire Give it a shout, let's make it hot Come on baby we can hit the lights Make the wrongs turn right We can smash the clockmake the pop go rock With a love this deepwe don't need no sleepAnd it feels like we could do this all night We could do this all night Yeah everything is alright We've got the keys to open paradise, yeah paradise It feels like... we could do this all night Feels like... we could do this all nightCome on baby we can hit the lights Make the wrongs turn right We can smash the clock make the pop go rock With a love this deep we don't need no sleep And it feels like ... we could do this all night Yeah everything is alright We got the keys to open paradise, yeah paradise
