

If It Ain't Love

Jason Derulo

Could use a little love
Why can't you get enough!
Could use, could use a little love
Why can't you get enough!
Could use a...Short day's long nights tangled up with you
I don't wanna moveYour eyes don't lie and if I needed proof
That body tell the truth
Your body is a blessing
Don't know if I deserve it
Before round two I got a question for you babe
If it ain't love, why does it feel so good?
Why does it feel so good?
If it ain't love, why does it feel so good?
Why does it feel so good?
If it ain't love,
Why does it feel so good?
If it ain't love,
Why does it feel so good?Could use a little love
Why can't you get enough!
Could use, could use a little love
Why can't you get enough!
Could use a...
On the tip of my tongue the flavor of your skin
Lingers on my lips
Each time we done we do it again, again, and again
Your body is a blessing
What I do to deserve itBefore round three I got a question for you baby
If it ain't love, why does it feel so good?
Why does it feel so good?
If it ain't love, why does it feel so good?
Why does it feel so good?
Tell me what it is,
If it ain't love,
Why does it feel so good?
If it ain't love,
What is it?
Why does it feel so good?Could use a little love
Why can't you get enough
Could use, could use...You know soon as you walk in it going up (going up)
Slow it down for me girl we ain't got to rush (we ain't got to rush)
Always a movie we ain't saying much
Maybe I'm just your type, I know what bad girls like

But I'll confess tonight your body is a blessing
What I do to deserve it
Short days and long night's yeah If it aint love, why does it feel so good?
Why does it feel so good?
Tell me what it is.
If it aint love, why does it feel so good?
Why does it feel so good?
If it aint love,
What is it? What is it?
Why does it feel so good?
If it aint love,
What is it? What is it?
Why does it feel so good?
