Famous Last Words

My Chemical Romance

Now I know

That I can't make you stay

But where's your heart?

But where's your heart?

But where's your...And I know

There's nothing I can say

To change that part

To change that part

To change...

So many

Bright lights, they cast a shadow

But can I speak?

Well is it hard understanding

I'm incomplete

A life that's so demanding

I get so weak

A love that's so demanding

I can't speakI am not afraid to keep on living

I am not afraid to walk this world alone

Honey if you stay, I'll be forgiven

Nothing you can say can stop me going home

Can you see

My eyes are shining bright

'Cause I'm out here

On the other side

Of a jet black hotel mirror

And I'm so weak

Is it hard understanding

I'm incomplete

A love that's so demanding

I get weakI am not afraid to keep on living

I am not afraid to walk this world alone

Honey if you stay, I'll be forgiven

Nothing you can say can stop me going homeI am not afraid to keep on living

I am not afraid to walk this world alone

Honey if you stay, I'll be forgiven

Nothing you can say can stop me going homeThese bright lights have always blinded me

These bright lights have always blinded me

I sayI see you lying next to me

With words I thought I'd never speak

Awake and unafraid

Asleep or dead(How can I see, I see you lying) 'Cause I see you lying next to me

(How can I see, I see you lying) With words I thought I'd never speak
(How can I see, I see you lying) Awake and unafraid
(How can I see, I see you lying) Asleep or dead'Cause I see you lying next to me
With words I thought I'd never speak

Awake and unafraid

Asleep or dead'Cause I see you lying next to me With words I thought I'd never speak

Awake and unafraid

Asleep or deadI am not afraid to keep on living I am not afraid to walk this world alone

(Or dead)

Honey if you stay, I'll be forgiven Nothing you can say can stop me going home (Or dead)

(Or dead)

I am not afraid to keep on living
I am not afraid to walk this world alone
(Or dead)

Honey if you stay, I'll be forgiven
Nothing you can say can stop me going home

I am not afraid to keep on living I am not afraid to walk this world alone

(Or dead)

(Or dead)
Honey if you stay, I'll be forgiven
Nothing you can say can stop me going home
