

# Magic (feat. OFB, BandoKay & Double Lz)

## iLL BLU

[Intro]

ILL BLU[Bridge: BandoKay & Aisa Renardus]

(I got the magic)

Top floor with a sweet one

She didn't even know that day?man?brang it

Or I'm?in the alleyway with a addict

He?likes my food 'cause I don't add magic (I got?the?magic)

Shawty?love talk, can't?hack it

Back it,?now she wan' copy my jacket (Numbers don't lie, don't lie)

On tour, on stage I had it

My jewels shinin' so lavish (Bow, bow)[Chorus: Double Lz & BandoKay & Aisa Renardus]

Watch man vanish before man back it (Runner)

You would've thought that the yutes done (Magic)

Cats all like my food

Cah the ting set straight, and we don't use (Magic)

T's in the trap, he can tell you 'bout cats and packs

And of course, he can tell you 'bout (Magic)

Bro-bro got that yute and he still ain't rubbed

Guess he must use (Magic)

[Verse 1: BandoKay]

I told bro its because of magic

But he's tellin' me it's straight juj

I told bae that your ting set good

Give her ten out of ten for the way she looks (Ten)

My young boy's tryna read these books

Stays on a 1-2's tryna find these crooks (Where they at?)

YOI in Feltham and crooks

And man ain't there for crashin' and jugs (Ay, bow)

She loves me and I love me too

Then I guess me and her are just a like (Yes)

I got green, got black, got white

When I chop that down gotta run FaceTime

Fine, she knows we can't wine and dine

So she stays at home, what's mine is mine (Home body)

Me and bro got bine on bine

So get the four door, let's ride, let's ride (Bow, bow)

[Pre-Chorus: Aisa Renardus]

I got the magic

I might let you have it (Ay, ay)

I got the magic

I got you on a madness, yeah (Bow)

I got the magic

One face got you spazzin'  
Numbers don't lie, don't lie  
How many times you gotta know? (Ay, ay)[Chorus: Double Lz & Bandokay & Aisa Renardus]  
Watch man vanish before man back it (Runner)  
You would've thought that the yutes done (Magic)  
Cats all like my food  
Cah the ting set straight, and we don't use (Magic)  
T's in the trap, he can tell you 'bout cats and packs  
And of course, he can tell you 'bout (Magic)  
Bro-bro got that yute and he still ain't rubbed  
Guess he must use (Magic)[Verse 2: Double Lz]  
Do it for my bro, won't do it for a friend (I won't)  
Play your position, I'll say that again (Play it)  
My shawty wants kisses and cuddles  
But I wanna ride with spinners at ten (I do)  
Ments, everyone's bad with their friends  
Hence, why they get put on the bench (Haha)  
You ain't savin' these shots like Cech  
If you don't move right then you're gonna get left (Left)  
Ting from West, man press and bounce (Bounce)  
Ouch, put my third leg in her mouth (Ay)  
Up in the dance, she's shakin' her arse  
That's me and my buss down steppin' out (Buss down)  
Listen, you know I gotta step in style  
Opp block tour but there's feds about (Hot)  
Should we stay low? One blend it out  
Silent rides but the shh come loud (Ay, ay)[Pre-Chorus: Aisa Renardus]  
I got the magic  
I might let you have it (Ay, ay)  
I got the magic  
I got you on a madness, yeah (Bow)  
I got the magic  
One face got you spazzin'  
Numbers don't lie, don't lie  
How many times you gotta know? (Ay, ay)[Chorus: Double Lz & Bandokay & Aisa Renardus]  
Watch man vanish before man back it (Runner)  
You would've thought that the yutes done (Magic)  
Cats all like my food  
Cah the ting set straight, and we don't use (Magic)  
T's in the trap, he can tell you 'bout cats and packs  
And of course, he can tell you 'bout (Magic)  
Bro-bro got that yute and he still ain't rubbed  
Guess he must use (Magic)[Outro]  
Numbers don't lie, don't lie  
How many times you gotta know?  
ILL BLU
