

# Bubblin' (Single Version)

## Blue

Yo  
Come on  
That's right  
You know what I'm saying I think you're bout it bout it  
No man could ever doubt it  
You're looking so delicious  
Could this be the night that we uuuh Get closer just a little  
Take it up another level  
Look it's just plain and simple  
Could this be the night that we uuuh Don't fight it  
Can't hide it  
Let's ride this  
It just feel so right  
Oh, you got the perfect body (uh, huh)  
Love the way you're shakin it for me (uh, huh)  
Can we take it up stairs from the lobby  
I don't see nothing in  
You and me bubblin  
How do we get started  
How do we get private  
Once we get inside  
It's gonna be troubling  
You and me bubblin Yo, yo, yo, come on Yo, yo, yo, come on  
Why don't we get this popping  
Top floor with no disturbing  
Room service in the morning  
This will be the night that we uuuh  
Elevator's waiting open  
Don't you think it's time we go in  
Can't keep the penthouse waiting  
This will be the night that we uuuh Clock's tickin'  
Time's wasting  
And you're amazing  
It just feel so right Oh, you got the perfect body (uh, huh)  
Love the way you're shakin it for me (uh, huh)  
Can we take it up stairs from the lobby  
I don't see nothing in  
You and me bubblin  
How do we get started  
How do we get private  
Once we get inside  
It's gonna be troubling

You and me bubblin' Got a body like whoa  
Why you waitin' over there let's roll  
Take it all the way to the top floor  
And let's get bubblin' girl  
Bubblin' girl  
Got a body like whoa  
Why you waitin' over there let's roll  
Take it all the way to the top floor  
And let's get bubblin' girl  
Bubblin' girl (ohhh hahahah woaaaaahhhh) Oh, you got the perfect body (uh, huh)  
Love the way you're shaken that for me (uh, huh)  
Can we take it upstairs from the lobby  
I don't see nothin' in you and me bubblin'  
How do we get started  
How do we get private  
Once we get inside  
It's gonna be troublin'  
You and me bubblin'
