## Wonderful World

## Sam Cooke

Don't know much about history Don't know much biology Don't know much about a science book Don't know much about the French I tookBut I do know that I love you And I know that if you love me too What a wonderful world this would beDon't know much about geography Don't know much trigonometry Don't know much about algebra Don't know what a slide rule is for But I do know, one and one is two And if this world could be with you What a wonderful world this would beNow I don't claim to be an 'A student' But I'm trying to be For maybe by being an 'A student', baby I can win your love for meDon't know much about history Don't know much biology Don't know much about a science book Don't know much about the French I tookBut I do know that I love you And I know that if you love me too What a wonderful world this would be La ta ta ta ta ta ta ah (History) Hmm mmm mmm (Biology) La ta ta ta ta ta ah (Science book) Hmm mmm mmm, yeah (French I took)But I do know that I love you And I know that if you love me too What a wonderful world this would be
