

# Young Man Blues

Joe Bonamassa

Oh well a young man ain't got nothin' in the world these days  
I said a young man ain't got nothin' in the world these days You know in the old days  
When a young man was a strong man  
All the people they'd step back  
When a young man walked by But you know nowadays  
It's the old man,  
He's got all the money  
And a young man ain't got nothin' in the world these days I said nothing Everybody knows that a  
young man ain't got nothin'.  
Everybody!  
Everybody knows that a young man ain't got nothin'  
He got nothin'  
Nothin'  
Take it easy on the young man  
They ain't got nothin' in the world these days  
I said they ain't got nothin'!  
They got sweet fuck-all!
