

# Walk

## Pantera

Can't you see? I'm easily bothered by persistence  
One step from lashing out at you  
You want in to get under my skin and call yourself a friend  
I've got more friends like you, what do I do? Is there no standard anymore?  
What it takes, who I am, where I've been, belong  
You can't be something you're not  
Be yourself by yourself, stay away from me  
A lesson learned in life, known from the dawn of time  
Respect, walk, what did you say?  
Respect, walk, are you talking to me?  
Are you talking to me?  
Rock your mouth when I'm not around, it's easy to achieve  
You cry to weak friends that sympathize Can you hear the violins playing your song?  
Those same friends tell me your every word  
Is there no standard anymore?  
What it takes, who I am, where I've been, belong You can't be something you're not  
Be yourself by yourself, stay away from me  
A lesson learned in life, known from the dawn of time  
Respect, walk, what did you say?  
Respect, walk, are you talking to me?  
Respect, walk, what did you say?  
Respect, walk, are you talking to me?  
Are you talking to me? No way punk  
Respect, walk, what did you say?  
Respect, walk, are you talking to me?  
Respect, walk, what did you say?  
Respect, walk, are you talking to me?  
Are you talking to me? Walk on home boy
