Where Are You Now

Nazareth

Every single day I think of the times When you were still mine And I'm blue Got to get away Get you out of my mindI'm caught up in time And I'm blueI don't miss all the fun that we had You were always around me Where are you now I need you now If you were around It would be alright Living on my ownI know I'm to blameI'm locked in my chainsAnd you're freeFallen like a stone I'm down on the ground I'm tied up and bound And you're free I don't miss all the fun that we had You were always around me Where are you now I need you now If you were around it would be alright Where are you now I need you now If you were around it would be alright Song Discussions is protected by U.S. Patent 9401941. Other patents pending.
