I Write the Songs

Barry Manilow

I've been alive forever And I wrote the very first song I put the words and the melodies togetherI am music and I write the songs I write the songs that make the whole world sing I write the songs of love and special things I write the songs that make the young girls cryI write the songs, I write the songs My home lies deep within you And I've got my own place in your soul Now when I look out through your eyesI'm young again, even though I'm very old I write the songs that make the whole world sing I write the songs of love and special things I write the songs that make the young girls cry I write the songs, I write the songs Oh, my music makes you dance And gives your spirit to take a chance And I wrote some rock 'n' roll so you can move Music fills your heart, well, that's a real fine place to start It's from me, it's for you It's from you, it's from me It's a worldwide symphony I write the songs that make the whole world sing I write the songs of love and special things I write the songs that make the young girls cry I write the songs, I write the songs I write the songs that make the whole world sing I write the songs of love and special things I write the songs that make the young girls cry I write the songs, I write the songs I am music and I write the songs Song Discussions is protected by U.S. Patent 9401941. Other patents pending.
