## I Still See Your Face

## San Holo

There's no truth in these dreams I chase Out of sight, I still see your face Even though things fall into place Can't deny I still see your face There's no truth in these dreams I chase Out of sight, I still see your face Even though things fall into place

Can't deny I still see your faceI still see your face

I still see your face

(I still see your face)(I still see your face)There's no truth in these dreams I chase

Out of sight, I still see your face

Even though things fall into place

Can't deny I still see your face

There's no truth in these dreams I chase

Out of sight, I still see your face

Even though things fall into place

Can't deny I still see your face

I still see your face I still see your face I still see your face I still see your face

I still see your face(I still see your face)(I still see your face)There's no truth in these dreams I chase

Out of sight, I still see your face
Even though things fall into place
Can't deny I still see your face
(There's no truth in these dreams I chase
Out of sight, I still see your face
Even though things fall into place
Can't deny I still see your face
