

# I Don't Wanna Break

Christina Perri

Woke up such a bad dream  
I stayed you were leaving  
With my heart you were stealing  
I don't care I'd let you take it  
Showed up, like a good girl  
I fell for your fable  
But I'm no Cinderella  
I don't care, I'd let you take it  
Put us back together  
You said, it's forever  
But I know you're pretending  
I don't care, I'd let you take it  
All again  
And I just wanna love you  
Don't wanna lose me  
Don't wanna lose you, whoa oh  
If it gets harder  
Then I don't wanna break all alone  
I wanna break in your  
I just wanna love you  
Don't wanna lose me  
Don't wanna lose you, whoa oh  
If it gets harder  
Then I don't wanna break all alone  
I wanna break in your  
Whoa oh oh, whoa oh oh  
(Don't wanna break in your)  
And if it gets harder  
Then I don't wanna break all alone  
I wanna break in your arms  
Sometimes, when I'm sleeping  
I still feel you breathing  
You stole all my good dreams  
I don't care, I'd let you take it  
Come on, listen closely  
To the sound that our love made  
If you go, I would follow  
I don't care, I'd let you take it  
All again(mmm)  
I just wanna love you  
Don't wanna lose me  
Don't wanna lose you, whoa oh  
If it gets harder  
Then I don't wanna break all alone  
I wanna break in your  
I just wanna love you  
Don't wanna lose me  
Don't wanna lose you, whoa oh  
If it gets harder  
Then I don't wanna break all alone  
I wanna break in your  
Whoa oh oh, whoa oh oh, whoa oh

And if it gets harder  
Then I don't wanna break all alone  
I wanna break in your  
Whoa oh oh, whoa oh oh,(Don't wanna break in your)  
Whoa oh oh, whoa oh oh,(Don't wanna break in your)  
Whoa oh oh, whoa oh oh,(Don't wanna break in your)  
Whoa oh oh, whoa oh oh,(Don't wanna break in your)  
I just wanna love you  
Don't wanna lose me  
Don't wanna lose you, Whoa oh  
If it gets harder  
Then I don't wanna break all alone  
I wanna break in your arms
