

Til I Forget About You

Big Time Rush

I get a call on a random afternoon, I pick it up and I see that it's you
Like my heart, you were breaking the news, you say, "It's over, it's over, it's over"
Headin' out, 'cause I'm out of my mind
All my friends are gonna see me tonight Stayin' here 'til the sun starts to rise and I'm, I'm gonna,
I'm gonna, I'm gonna
Dance hard, laugh more, turn the music up now
Party like a rock star, can I get a what now?
I swear I'll do anything that I have to, til I forget about Jump up, fall down, gotta play it loud
now
Don't care, my head's spinnin' all around now
I swear I'll do anything that I have to, til I forget about you
'Til I forget about you And you thought I'd be here on my own, waitin' for you to knock on my
door
But since you left I don't wait by the phone
I'm movin', I'm movin', I'm movin'
I found a place where I can lose myself and just leave your memory on a shelf
See, I'm fine, no, I don't need nobody else
'Cause I'm, I'm goin', I'm goin', I'm goin'
Dance hard, laugh long
turn the music up now Party like a rock star
can I get a what now?
I swear I'll do anything that I have to
'Til I forget about Jump up, fall down, gotta play it loud now
Don't care, my head's spinnin' all around now
I swear I'll do anything that I have to
'Til I forget about you Spendin' money like it don't mean a thing
I'm goin' crazy now, don't even think
Losin' my mind is all I can do
'Til I forget about you
Dance hard, laugh long
turn the music up now
Party like a rock star
can I get a what now?
I swear I'll do anything that I have to
'Til I forget about you
Jump up, fall down, gotta play it loud now
Don't care, my head's spinnin' all around now
I swear I'll do anything that I have to
'Til I forget about you
'Til I forget about you
'Til I forget about you
I can't forget about you
