

# Chillin' (Modjo's Dyrty Remix)

## Modjo

One night in a disco  
Chillin' with my friends  
Feelin' kinda low  
I was sitting on a fence Suddenly I saw her  
Dancing on the scene  
Just like in a dream  
She would set my heart on fire I feel so high  
Dancing all night  
You blow my mind  
'Cos you're so fine  
She had such a swing  
Anyone could see  
Her body meaning things  
That look so good to me Music got my head  
Spinning all around  
She got me in a trance  
Just by the way she danced I feel so high  
Dancing all night  
You blow my mind  
'Cos you're so fine I feel so high  
Dancing all night  
You blow my mind  
'Cos you're so fine  
(She had such a swing)  
I feel so high  
(Anyone could see)  
Dancing all night  
(Her body meaning things)  
You blow my mind  
(That look so good to me)  
'Cos you're so fine (Music got my head)  
I feel so high  
(Spinning all around)  
Dancing all night  
(She got me in a trance)  
You blow my mind  
(Just by the way she danced)  
'Cos you're so fine (Music got my head)  
I feel so high  
(Spinning all around)  
Dancing all night  
(She got me in a trance)

You blow my mind  
(Just by the way she danced)  
'Cos you're so fine(Music got my head)  
I feel so high  
(Spinning all around)  
Dancing all night  
(She got me in a trance)  
You blow my mind  
(Just by the way she danced)  
'Cos you're so fine
