In the Dark

Vintage Culture & Fancy Inc

Oceans in between us couldn't keep us apart
Mountains in the distance couldn't bury our love
I would search forever swim upEvery single river 'cause I know how it feels
And it's realMust be something in my heart that beats for you
And when it gets dark, it guides me through
Even when I'm lost, the magnets show me where you are
'Cause I've got a compass heartOh, I've got a compass heart
And in the dark
Yeah, it shows me where you areOh, I've got a compass heart
And in the dark
Yeah, it shows me where you are
Closer than my skin, it's flowing in my veins
In the oxygen, in every breath I take
Signals never fading like a flare, when I'm in danger
Always saving me endlessly'Cause there's something in my heart that beats for you
And when it gets dark, it guides me through
Even when I'm lost, the magnets show me where you are
'Cause I've got a compass heartOh, I've got a compass heart
And in the dark
Yeah, it shows me where you areOh, I've got a compass heart
And in the dark
Yeah, it shows me where you areNo matter how long it takes, no matter how far away
No matter how long it takes, no matter how far away
No matter how long it takes, it takes, it takes, it takes...
Oh, I've got a compass heartNo matter how long it takes, no matter how far away
I will always get to you
No matter how long it takes, just know that I'll find a way
'Cause I've got a compass heart
