Major Tom (Adam K & Soha Club Edit)

Shiny Toy Guns

Standing there alone The ship is waiting All systems are go Are you sure? Control is not convinced But the computer Has the evidence "No need to abort" The countdown startsWatching in a trance The crew is certain Nothing left to chance All is working Trying to relax Up in the capsule "Send me up a drink" Jokes Major Tom The count goes on 4321 Earth below us Drifting, falling Floating, weightless Calling, calling home...Second stage is cut We're now in orbit Stabilizers up Running perfect Starting to collect Requested data "What will it effect When all is done?" Thinks Major Tom Back at ground control There is a problem Go to rockets full Not responding "Hello, Major Tom Are you receiving? Turn the thrusters on We're standing by" There's no reply4 3 2 1 Earth below us Drifting, falling Floating, weightless

Calling, calling home...Across the stratosphere A final message "Give my wife my love" Then nothing moreFar beneath the ship The world is mourning They don't realize He's alive No one understands But Major Tom sees Now the life commands This is my home I'm coming homeEarth below us Drifting, falling Floating, weightless Coming home... Earth below us Drifting, falling Floating, weightless Coming home... Earth below us Drifting, falling Floating, weightless Coming, coming home... Home...
