

Sunny

Hippie Sabotage

My name on the sunshine you can
My name on the sunshine you can
Sunny, you sunny.
Youre all in all
Now I feel ten feet tall
Send to me your all and all
Now I feel ten feet tall
Sunny ow so true
I love you
Ease the the pain
Ease the the pain
Ease the the pain
Ease the the pain
Ease the the pain
Ease the the pain
Ease the the pain
Ease the the pain
Ease the the pain
Ease the the pain
The sunshine you came
The suns shine on you
Sunny, you sunny.
Ow but thank you for the memory about me
Ow but thank you for the memory about me
Send to me your all and all
Now I feel ten feet tall
Send to me your all and all
Now I feel ten feet tall
Send me ow so tall
I love you, I, I
