

# Shade

## IAMDDB

Gang, gang, gang, gang, gang  
IAMDDB, yeah Bad bitch, no underwear  
2Ø2Ø gon' pull up and air, yeah  
Bitch I'm the wave, you can go home  
Uber, Uber everywhere, yeah  
Take my bitch everywhere  
We be gettin' money everywhere, yeah  
They don't even know-oh  
They be throwin' shade everywhere My heart is good, yeah it's pure, yeah  
You know that I need your love, yeah  
Energies follow me, but I don't see their soul, yeah  
Have a little faith in me, yeah  
It's all I need, yeah  
Baby you're all I need, yeah  
You're my G  
Bad bitch, no underwear  
2Ø2Ø gon' pull up and air, yeah  
Bitch I'm the wave, you can go home  
Uber, Uber everywhere, yeah  
Take my bitch everywhere  
We be gettin' money everywhere, yeah  
They don't even know-oh  
They be throwin' shade everywhere Baby give me space, yeah, give me time  
I don't even stress cause I know you're mine  
All these haters out tryna take what's mine  
All these haters out tryna take what's mine  
I heard about this bitch called ruby  
She'd been makin' moves to man that knew me  
Oooh, I think I like her, like her, like her  
I might have to wife her, wife her, wife her  
Bad bitch, no underwear  
2Ø2Ø gon' pull up and air, yeah  
Bitch I'm the wave, you can go home  
Uber, Uber everywhere, yeah  
Take my bitch everywhere  
We be gettin' money everywhere, yeah  
They don't even know-oh  
They be throwin' shade everywhere You can't even level with a boss  
Don't play round with my sauce  
You can't compete with my soul, no  
You can't even level with a boss Bad bitch, no underwear  
2Ø2Ø gon' pull up and air, yeah

Bitch I'm the wave, you can go home  
Uber, Uber everywhere, yeah  
Take my bitch everywhere  
We be gettin' money everywhere, yeah  
They don't even know-oh  
They be throwin' shade everywhere
