

# Breakaway

Kelly Clarkson

Da da ra ra ra ra ra  
Da ra ra ra ra ra  
Da ra ra ra ra ra raDa ra ra ra ra ra ra  
Da ra ra ra ra ra  
Da ra ra ra ra ra raGrew up in a small town  
And when the rain would fall down  
I'd just stare out my window  
Dreaming of what could be  
And if I'd end up happy  
I would pray  
Trying hard to reach out  
But when I'd try to speak out  
Felt like no one could hear me  
Wanted to belong here  
But something felt so wrong here  
So I pray  
I could breakawayI'll spread my wings and I'll learn how to fly  
I'll do what it takes til I touch the sky  
And I'll make a wish, take a chance, make a change  
And breakaway  
Out of the darkness and into the sun  
But I won't forget all the ones that I loved  
I'll take a risk, take a chance, make a change  
And breakaway  
Wanna feel the warm breeze  
Sleep under a palm tree  
Feel the rush of the ocean  
Get onboard a fast train  
Travel on a jet plane, far away  
And breakawayI'll spread my wings and I'll learn how to fly  
I'll do what it takes 'til I touch the sky  
And I'll make a wish, take a chance, make a change  
And breakaway  
Out of the darkness and into the sun  
I won't forget all the ones that I loved  
I gotta take a risk, take a chance, make a change  
And breakawayBuildings with a hundred floors  
Swinging 'round revolving doors  
Maybe I don't know where they'll take me but  
Gotta keep moving on, moving on  
Fly away, breakawayI'll spread my wings and I'll learn how to fly  
Though it's not easy to tell you goodbye

I gotta take a risk, take a chance, make a change  
And breakaway  
Out of the darkness and into the sun  
But I won't forget the place I come from  
I gotta take a risk, take a chance, make a change  
And breakaway  
Breakaway  
Breakaway
