

# I'll Just Fall

Lucero

I think I'll stay right down here on this floor  
Cause if I get back up I'll only fall down more  
It ain't the liquor and it ain't the beer that keeps me down  
It ain't the sad songs or heartache it ain't even this town  
Now I must've had a pretty good time to  
end up here  
Made a pretty good run it caught up with me my dear  
There's no need to make a fuss cause I'll be all right  
Just let me lay here a while 'til I can stand upright  
Now I'm just a little bit tired that's all  
Don't make me get back up cause I'll just fall  
Please stop talking so loud and just let me sleep  
I ain't in nobody's way they can just step over me  
Well I think I'll just stay right down here on this floor  
Cause if I get back up I'll only fall down some more
