I'll Just Fall

Lucero

I think I'll stay right down here on this floor Cause if I get back up I'll only fall down more It ain't the liquor and it ain't the beer that keeps me down It ain't the sad songs or heartache it ain't even this townNow I must've had a pretty good time to end up here Made a pretty good run it caught up with me my dear There's no need to make a fuss cause I'll be all right Just let me lay here a while 'til I can stand uprightNow I'm just a little bit tired that's all Don't make me get back up cause I'll just fall Please stop talking so loud and just let me sleep I ain't in nobody's way they can just step over me Well I think I'll just stay right down here on this floor Cause if I get back up I'll only fall down some more Song Discussions is protected by U.S. Patent 9401941.
