Where Did You Sleep Last Night

Nirvana

My girl, my girl Don't lie to meTell me where did you sleep last night In the pines, in the pines Where the sun don't ever shine I would shiver the whole night through

My girl, my girl, where will you goI'm going where the cold wind blows In the pines, in the pines

Where the sun don't ever shine I would shiver the whole night through Her husband, was a hard working man Just about a mile from here

His head was found in a driving wheelBut his body never was found My girl, my girl, don't lie to meTell me where did you sleep last night In the pines, in the pines

Where the sun don't ever shine I would shiver the whole night through My girl, my girl, where will you goI'm going where the cold wind blows In the pines, in the pines

Where the sun don't ever shine I would shiver the whole night through My girl, my girl, don't lie to me Tell me where did you sleep last night In the pines, in the pines Where the sun don't ever shine I would shiver the whole night through My girl, my girl, where will you go I'm going where the cold wind blows In the pines, in the pines Where the sun don't ever shine

I would shiver the whole night through Song Discussions is protected by U.S. Patent 9401941. Other patents pending.
