## K CAMP

Just take hit of this  
It'll get u right don't worry  
Bout nothin turn up the night  
U want more in your life but u  
Can't get right don't worry bout  
Nothin just turn up the night  
Turn up the night 16x Look girl let loose cuz I know  
Just what u like it's all on u  
If u wanna turn up the night  
So many blunts that my mind  
Somewhere in space push pause  
On a ho cuz she want stay out  
My face I ain't worry bout nothin  
I ain't worried bout nothin  
I just came here to have a good  
Time yeah that drank in me and  
That smoke in me yeah I'm turnt  
In this bitch no lie all that ass  
On her can't pass on her I'ma steal  
Yo bitch no crime I'ma get to the  
Money I'ma shine til the end get back  
Don't worry bout mine  
Drinks in air and I came wit my crew  
No we don't care we gone turn up on u  
Haters they gone stare tell'em watch  
What we do turn up yeah I know u feel  
Somethin to be real I ain't  
Worried bout nothin Just take hit of this  
It'll get u right don't worry  
Bout nothin turn up the night  
U want more in your life but u  
Can't get right don't worry bout  
Nothin just turn up the night  
Turn up the night 16x

U ain't trying go home cuz u know how we

Turn this bitch up  
Drinks in air and I came wit my crew  
No we don't care we gone turn up on u  
Haters they gone stare tell'em watch  
What we do turn up yeah I know u feel  
Somethin to be real I ain't  
Worried bout nothin  
Just take hit of this  
It'll get u right don't worry  
Bout nothin turn up the night  
U want more in your life but u  
Can't get right don't worry bout  
Nothin just turn up the night
